Subject: Thank you for serving on the CPE Industry Advisory Council (IAC)

Dear Satish Reddy Budati,

Thank you for attending the Computer Engineering (CPE) Industry Advisory Council (IAC) meeting on May 15, 2026.

As a senior leader in the industry, your insights are invaluable to us. The IAC serves as a critical advisory body and strategic partner, providing the industry-informed guidance needed to ensure curriculum currency and relevance. Your expertise will be particularly vital in supporting our ABET accreditation processes and fostering meaningful student engagement through mentorship and collaborative research.

We deeply appreciate your commitment to serving a two-year term on the IAC, beginning Spring 2026. Your ongoing advisement will directly support the continuous improvement of the CPE program and the long-term success of our graduates.

Thank you again for your time, expertise, and dedication to our students.

Sincerely,

A handwritten signature in black ink, reading 'Praveen K. Meduri'.

Praveen K. Meduri, Ph.D.

Program Coordinator, Computer Engineering

Associate Professor, Department of Electrical and Electronic Engineering

California State University, Sacramento
